**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF**  
**THE GEOGRAPHY TEACHERS ASSOCIATION**  
**OF NEW SOUTH WALES INCORPORATED**

**Scope**

We have audited the financial statements of the Geography Teachers Association of New South Wales Incorporated for the year ended 30 June, 2009. The committee is responsible for the preparation and presentation of the financial statements in order to express an opinion on them to the members.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial statements are free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial statements are presented fairly in accordance with Australian Accounting Standards so as to present a view of the association which is consistent with our understanding of its financial position and the result of its operations and cash flows.

The audit opinion expressed in this report has been formed on the above basis.

**Qualified Audit Opinion**

As is common for organisations of this type, it is not practicable for Geography Teachers Association of New South Wales Incorporated to maintain an effective system of internal control over donations, subscriptions and other fund raising activities until their initial entry in the accounting records. Accordingly, our audit in relation to fund raising was limited to amounts recorded.

In the financial statements for 2008 we advised that the Association had not yet determined whether it was liable for income tax. That report was dated 14 October, 2009 and there has been no change since that time.

The Association received various grants during the year. As part of the audit we have attempted to reconcile the grant from AusAID for the Global Education Project. At this time we have been unable to match the receipts from the government with the original grant documentation and its variations.

**Audit Opinion**

In our opinion, except for the effects of such adjustments mentioned in the above qualification, the financial report presents fairly in accordance with the cash basis of accounting, as described above, the payments and receipts of Geography Teachers Association of New South Wales Incorporated for the year ended 30 June, 2009 and its cash and bank balances as at that date.
