

PROMOTING GEOGRAPHY

POSTERS

AGTA has developed a series of posters promoting the study of Geography in Australian schools. The posters, which incorporate strong photographic images and quirky cartoons, provide Geography with a fresh contemporary profile. The posters will capture your students' attention and prove a valuable marketing resource. There are five posters in the set which are covered in a durable, high quality laminated film.

Visit the GTA website at <http://hsc.csu.edu.au/pta/gtansw/> to view the posters enlarged and in colour.
