

Lesson 4: Worksheet 1

Indigenous management of the environment

1. What do Aboriginal people mean by the term 'Country'?

3. Describe the Aboriginal way of life.

4. Outline how the thinking about the environmental impact of Aboriginal and Torres Strait Islander people has changed in recent times.

5. Outline the reasons why Aboriginal and Torres Strait Islander people used fire.

6. Describe the impact that regular burning has on the landscape.

7. State the possible causes for the extinction of Australia's megafauna.

8. Explain how the extinction of the megafauna affected the Australian landscape.
